Directions

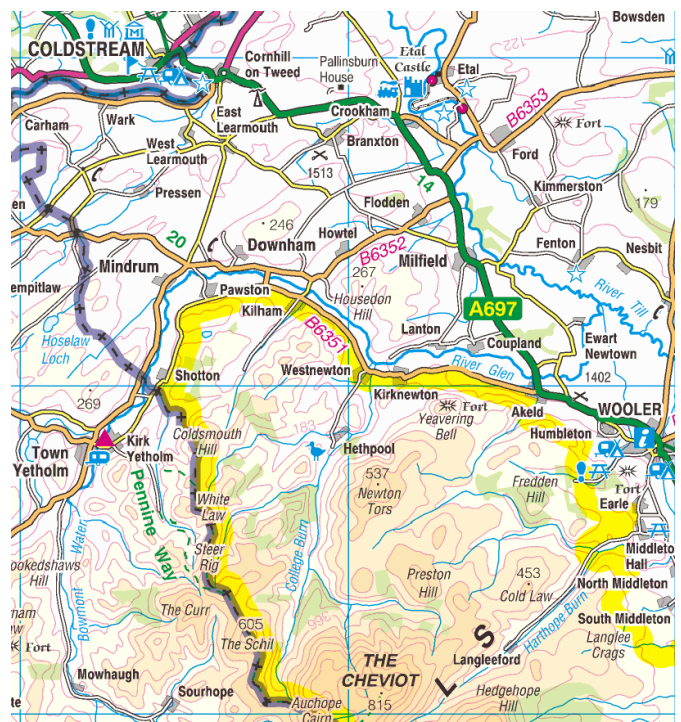

From A1 south:

From A1 take A697 signposted Wooler and Coldstream, follow road until approximately 3 miles north of Wooler. Turn left (at the flagpoles) onto B6351 signposted Kirknewton and Kirk Yetholm. Cheviot View is 2.5 miles along the road, turning left at the village hall.

From A1 north:

Take B6354 towards Ford Castle, turning left at A697 then right onto B6351 at flagpoles as above directions.

Please note: Sat Nav systems will not usually take you to the correct place.

Camping Field

The field is flat and excellent for camping. It has a maximum capacity of 20 tents, 40 visitors. There is a designated campfire area in the wild zone at the end of the site. There are 4 wooden picnic tables.

Camp Site Facility Building

- The campsite building has electric power, fresh cold water from all taps and a hot water system.
- Camp store contains equipment for up to 40 visitors (see below)
- 1 x double toilet with sinks
- 1 x single toilet with sink
- 1 x accessible wet room with toilet , sink and shower
- 3 x individual shower rooms
- Outdoor Belfast sink and drainer
- Paved surround with veranda

Camp Store

- Sink and drainer, storage shelves and vegetable rack
- Large fridge freezer
- Kettle
- Microwave
- 4 slice toaster
- Washing up bowls and drainers
- Cutlery, plates, cups and bowls for 40
- Cooking pans and utensils for use on gas or wood fires
- 3 Go Pak folding tables
- Key holder for all utility building doors
- Notice board

Camp Cooking

You can use gas; Trangia's or cook using wood. We do not have a supply of wood but there is a small amount around the site. If you plan to cook on wood fires for any length of time you will need to have some delivered.

There are a number of wood and fuel suppliers, one suggestion is Carrs Billington, Bridge End, South Road, Wooler, NE71 6QE. Telephone number: 01668 281567.

Camp Site Cleaning

In the wet room you will find:

- Mops
- Brushes
- Washing line
- Pegs
- Clothes horse

Fresh Water

We have our own water borehole on the site. All taps supply fresh drinking water. The pump system has a cleaning cycle that runs for about 20 minutes every 24 hours. This is set by a timer to run during the night. If there have been local power outages, this can trip up the timer and it may run during the daytime.

While it runs you will have no water supply but it will come back on when the cleaning cycle finishes. Please notify us on your visit report form if this happens.

Waste Water

There is a septic tank on site. Please do not flush any sanitary items down the toilets, bins are provided. Also check your toilet cleaning product is suitable, it should be bleach free. Look for toilet cleaners not bleach products.

Rubbish and Cleaning

There are 3 separate waste bins. Please sort your rubbish into recycle, burn and other waste. There is an incinerator bin behind the camp building for burning rubbish. Please wrap up the cold ash and dispose of it in the waste bin.

We have 3 wheelie bins located at the side of the Lodge, recycling (blue) and normal rubbish (black and green). These are emptied on a Tuesday. At the end of your visit please place the bins at the edge of the car park otherwise they will not be emptied.

Full detail of what can be recycled on the wall of the store room.

Do not leave any rubbish bags that do not fit into the bins, they won't be collected and we will be fined. Also, the local wildlife will enjoy the contents, but won't tidy up the mess left behind.

There is a bottle bank and waste transfer site in Wooler on Brewery Road if you need to dispose of additional rubbish bags.

We do not supply any cleaning materials, please bring with you what is required, and take home what you do not use. Toilet cleaners need to be bleach free for our septic tank.

Mobile Signal / Wifi

The mobile signal at the site varies from non-existent to very weak. You can however pick up a signal about 1 mile along the road towards Wooler. There is no wifi facility at the site. There is a public phone box in the village.

Electrical Gadgets

Groups are responsible for the safety, condition and use of any electrical equipment brought to the site.

Power Supply

This is a rural area and occasionally power outages can occur. If the power goes off in the camp site building, check the mains trip switch which is located on the wall to the left of the fridge.

Fire Evacuation

The fire assembly point is in the car park at the front of the site.

Health and Safety

A camp site generic risk assessment will be supplied to any group making a booking.

There are a couple of items we need to specifically mention here:

- The whole site is a no smoking area
- Regularly check water spillages from floors to prevent slipping.
- Bothy above toilet block can be used by campers if weather is inclement.
- **The checks shown on the playground risk assessment must be made before a group is allowed to use the playground.**

Badges

There are Cheviot View Camp Site badges, if you would like to purchase these for your group please order when you book the site.

Resources on Site

Store box behind the Lodge contains bats, balls, parachute, hoops, large connect 4. There is a key for this in the camp store. If there is a group using the house please co-ordinate with them when you can have access.

The boundary of the camp site is marked by a 'young' hedge. If there are visitors in the Lodge, the land beyond this new hedge is for the Lodge visitors' use.

Campfire circle for any outdoor fires is in the 'wild' zone, please do not turf.

6 purpose made alter fire stands are on the campsite behind the building

The site is within the boundaries of the recently awarded 'Dark Skies' area so take your star gazing books, find a clear night and it's amazing.

Resources nearby:

Wooler Tourist Office has a local town trail, the Wooler police station also does visitor tours by prior arrangement it is an old building and still has the prison cells!

Cheviot View Site Rules

The residents of Kirknewton pride themselves on their small but lovely hamlet. Please help them to keep the hamlet beautiful and by our actions be a good P.R. representative for Girlguiding. Please conduct yourself with due regard to others at all times.

1. No arrivals or departures are to take place after 21:00 hours, except in cases of emergency or with prior agreement.
2. Please keep noise to a minimum throughout your stay. Quiet must be observed between the hours of 22:30 (absolute quiet after 23:00) until 07:00. When arriving or returning to the campsite at night please remember that other campers and residents of Kirknewton may be asleep and behave accordingly.
3. No stereos or amplified musical instruments are to be played on the site at any time. This rule may be relaxed for small stereos and acoustic instruments with prior agreement of Girlguiding North Tyneside between the hours of 10am - 8pm provided

noise levels are kept to a minimum and are not intrusive upon other campers or the residents of Kirknewton.

4. Any generators used on site are to be of the appropriately silenced type and are not permitted for use after 20:00 (without prior agreement of Girlguiding North Tyneside) as they can spoil the peace and tranquillity of the evening for our neighbours.
5. The discharge of fireworks is strictly prohibited on the campsite and surrounding areas, unless within the appropriate season and with prior agreement of Girlguiding North Tyneside.
6. Vehicles are not allowed on the grassed areas. Vehicles must park in the car park.
7. Pets are not allowed at Cheviot View. Guide dogs are the only exception.
8. Please respect St. Gregory's churchyard and do not let groups go in there unsupervised.
9. We operate a no smoking policy at Cheviot View on all areas of the site including the car park.
10. Please note that outdoor cooking must be on raised altar fires or the fixed fire places, turfing is not allowed.
11. Please do not empty sanitary bins; contents are disposed of safely by a clinical waste firm.
12. Contract Terms - please note that these rules and conditions form the basis of our contract with you.

We have drawn up these guidelines for your benefit and that of others in the area, ensuring that your stay will be pleasurable and at the same time enabling us to continue our work in this lovely part of Northumberland.

NB: Girlguiding North Tyneside reserves the right to ask any group to vacate the Outdoor Centre and make good any damage caused. Anyone found to be in serious breach of the site rules may be asked to leave with immediate effect, without any refund and may be refused future admission to Cheviot View. We thank you for your co-operation.

You will be asked to sign a copy of these rules prior to your visit.

Girlguiding Groups

Please remember to send your completed holiday forms to your local commissioner for approval and also to our local holiday adviser. If you need information on current local advisers, please contact the County office.

On Arrival

Here are a few things to help get you on arrival to use the camp site:

- The double gates from the car park are just bolted.
- Enter the site by the small gate near the bins
- Open the double gates for easy access.
- Once unloaded remove all vehicles to the car park and close the gates
- The key we have supplied opens the store room door

- On the wall to your right you will find a key board with all keys for the toilet and shower doors
- If you need hot water, switch on the immersion, the switch is marked ' water heater'
- Switch on the fridge freezer - plug in and close doors
- Everything you need will be either in the store room, the wet room or behind the building
- Key for outdoor games box is in the key cabinet on the wall in the kitchen store
- Please make all campers aware that the fire assembly point is in the car park.

On Departure

You will be provided with a copy of this list please use it to ensure the Camp Site is left secure and ready for the next visitors. The site will be inspected and your retainer payment returned if everything is found to be in good order.
